About the Artist

Greg De Santis is a San Francisco native now living in Greenwood (East of Cool, CA) and a Sierra chapter Board Member through 2019. Greg was introduced to both popular and classical organ music by his father, also an organist, at a young age. Early classical organ studies led to a 1st prize at the 1981 San Francisco A.G.O. Chapter Young Organist's Competition. After hearing a Theatre Pipe Organ for the first time 'in-theatre' he contacted the late James C. Roseveare for coaching at the Oakland Paramount from 1986-1988. With the help and encouragement of the Sierra chapter, he has mentored with Jonas Nordwall and coached with Lyn Larsen. He has previously performed for the Sierra chapter on the Fair Oaks chapter organ, Hunter Hall in Rio Vista, and on the McCluer WurliTzer formerly in Shingle Springs. Greg retired from P.G.&E. with 30 years of service at the end of 2014.

Charley Blatchford (Charles Hammond Blatchford III) died peacefully on June 9, 2018, after a prolonged degenerative pulmonary illness.

Charley was a great enthusiast for theater organ music. He joined ATOS a few years ago and enjoyed attending several events. It was his very specific wish to have his memorial in the Fair Oaks Community Clubhouse and to have the organ played there.

Sierra Chapter Members are invited to attend on Friday August 17 at 1:00PM.

Pump Organ Needs a Home

The Fair Oaks Historical Society ran across this Organ while researching the history of a home. The organ needs work on the pedal bellows. The owner is willing to accept the best offer to move it along.

PRESIDENT'S PERSPECTIVE—Randy Warwick

Many kudos and thanks are in order for our two David Gray events. First, I wish to thank **Bill and Anna Trabucco** for hosting the David Gray piano concert. It is very much appreciated that Bill and Anna allowed use of their beautiful

Il Tempio di Musica Hall with its mighty Mason & Hamlin, outside of Grass Valley. The hors d'oeuvres, soft drinks and wine made for a delightful way to showcase David's incredible piano artistry.

The next event occurred the following Saturday when **Geoff Hansen** made available his now 3/16 Wurlitzer at Hunter Hall in Rio Vista for David Gray to show his skills and artistry in a medium with

tunes more familiar to us in the theatre organ world. The Brass Saxophone rank from the late *Ye Olde Pizza Joynt* organ made its re-debut after years of repose and added the warm, yet powerful sonic flavor to the Wurlitzer similarly to what actual saxophones add to a big band. **Dave Moreno** had the Hunter Hall Wurlitzer sounding likely the best it has ever been.

In August I hope to see everyone at our annual Ice Cream Social. Greg has been promised that this is very casual and not a concert, but I know you will be pleased with his playing. Plus, even if you are not normally much of an ice cream fan as I am not, one day a year of gorging on ice cream is not going to endanger your health; I am told.
