## About the Artist

Dr. Peter Eveland has been a professional organist, pianist and composer since the age of eleven. As a child prodigy, he began entertaining on the Delta Queen Steamboat and worked his way up to being the Assistant Entertainment Director with responsibility for nightly shows, hiring and booking musicians, producing and directing shows nightly, along with sing-a-longs and play-offs all while leaving ports daily.

In addition to serving as National Staff Artist for the Wurlitzer Company, he also held the position of Staff Organist with the Cincinnati Bengals football team and the Cincinnati Stingers Hockey Team.

Pete was inducted as the youngest member and only organist into the Louisiana Jazz Club Hall of Fame. His composition, *An Afternoon with Daisy*, was released nationally on the famed Seven B jazz label featuring Pete with the Royal Canal Street Band. In addition to being a jazz, classical and theatre organist, Pete is also a ragtime aficionado.

If you have not yet attended one of our events at the home of **Wendell Jacob**, here is another chance. Wendell has built a large music room on his property to house his collection of musical instruments, including a Calliope, a Merry-go-round band organ, a Honky-tonk piano, and numerous electronic organs. Of course, the centerpiece of the room is the restored 3/14 Moller Pipe Organ from the Lobby of the former San Francisco Fox Theatre.

## PRESIDENT'S PERSPECTIVE—Randy Warwick

We hope summer was up to everyone's expectations of relaxation, travel, or general outdoor merriment. Those who went to the ATOS Convention saw once again why Tim Needler and his Central

Indiana Chapter folks have built their reputation for hosting very fine conventions. Everything went like clockwork with a combination of terrific artists, wonderful venues, and mostly terrific instruments. The setting for the banquet at the Indiana Theatre Roof Ballroom was just so cool you'd have to have seen it to appreciate it both for the architecture and

the history of the venue. The bottom line is: if this chapter hosts again, and with five conventions since 1984 they will likely host another before too many years, I would urge you to go to Indianapolis. Also, the city has a very nice and walkable downtown. We have a variety of events for the fall, so go and enjoy the music. Also, keep on the lookout for that acquaintance of yours who has the kind of musical orientation that might make him/her open to theatre organ. Bring them to an event and urge them to join. New members are our lifeblood, and they are not obligated to do anything but join and go to as many events as fits their liking.
