Dr. Jekyll & Mr. Hyde 1920

Dr. Jekyll and Mr. Hyde is based on Robert Louis Stevenson's often adapted 1886 socially conscious horror novella. This version stars the incomparable John Barrymore as Dr. Henry Jekyll, a gentle, saintly Victorian physician. When the good Dr. Jekyll meets the diabolical Sir George Carew, the father of his fiancée, Millicent, Carew is "piqued" by Dr. Jekyll. "No man could be as good as he looks," Carew says. He goads Jekyll who becomes fascinated by the dark side of the human psyche. The sinfully seductive Miss Gina arouses more of Jekyll's sexual and sociopathic longings. Determined to explore the dark side of consciousness without endangering himself, Jekyll concocts a potion that transforms him into Edward Hyde, an uninhibited rogue whom Barrymore brilliantly brings to life. Jekyll's initial transformation into Hyde was achieved with no makeup, instead relying solely on Barrymore's ability to contort his face and the help of only artificial teeth and fingers. Jekyll finds that it is becoming harder and harder to separate his two personalities, sending him into a downward spiral that seems destined to end with the destruction of his former identity.

Dave Moreno has had an extensive background in playing the theatre organ, beginning when he was just 13. He's equally comfortable with silent movie accompaniment, solo music of the 1920's -1950's and jazz organ.

Over the past 30 years Dave has played in many of the great remaining vintage theatres and organ restaurants like the Pizza and Pipes in Sacramento. As unique as his style is, so is his fashionable appearance. Moreno is an avid collector of vintage platform shoes, most from the 1970's, and his collection is currently over 600 pairs!

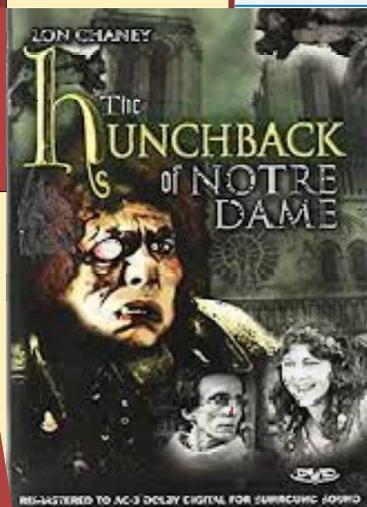

He's quite the showman!

It is the time of the year to start thinking about how you can become a more active member of Sierra Chapter.

Four Board positions are available for 2019

If you are interested, please contact any of the members of the Nominating Committee:

PRESIDENT'S PERSPECTIVE – Randy Warwick

In the last *Spiel* (while summarizing the kudos to all who made possible the two **David Gray** concerts), I mistakenly left out very necessary thanks to **Carol Zerbo, Dick Taylor, and Ed Stout**, who collectively hosted David for his week stay in our area. They picked him up at the airport, supplied him room and board, and drove him to his venues. Thanks Dick, Carol, and Ed!

Those of you who are eligible voting members have received an insert with this newsletter regarding a proposal for Bylaw Changes. Please consider the proposal for changing the Board member size. With six members serving staggered terms, the Chapter's finances and functions will still be safeguarded from potential fraud. It is hard to find people willing to serve, and this will help in that regard. Also, members will still have plenty of opportunities to help out. Members will vote on this proposal at the Annual Meeting in December.
